EISEMANN CENTER PRESENTS “CIRQUE MECHANICS’ *BOOM TOWN*”
ON SAT., OCT. 29, 2011 AT 8 PM

RICHARDSON, TX - *Eisemann Center Presents* will bring **Cirque Mechanics’ *Boom Town***, to the Eisemann Center stage on Saturday, October 29, 2011 at 8:00 pm.

Cirque Mechanics’ performers, formerly with Moscow Circus, Cirque du Soleil and other world-renowned companies, strike it rich by setting their newest creation ***Boom Town*** in an 1865 mining town, Rosebud, where two ambitious saloon owners have set up shop in the hopes of cashing in on the town’s gold rush frenzy. The circus that ensues when they begin to feud for the citizens’ patronage, leads to a series of explosive events and exciting brawls in addition to an unexpected romance and a lucrative discovery.

Once again, as with their previous production ***Birdhouse Factory*** (Eisemann Center November 2006), **Cirque Mechanics** explores the relationship between man and machine. Inspired by early mining equipment and the spirit of adventure that brought prospectors and entrepreneurs alike out west searching for gold, ***Boom Town***, features innovative and one of a kind mechanical apparatus that serve both as scenery and performance prop. You will find performers climbing up swaying telegraph poles, dancing on a swinging chandelier, flying high and fast on a revolving crane, flipping and jumping on moving ore carts or balancing on whiskey jugs.
